

DREAM 6

Grades: 9th-12th

"Watch Out World!" Dream 6 is designed to completely allow your artist to achieve whatever dream they have (whether it's a career in the performing arts or a confident individual who's ready to ace their college interview).

They have complete control of their concentration (Musical Theatre, Acting, or Dance) and have many choices of classes at this level. Dream 6 members will be able to train at a college prep level while allowing them plenty of time for homework, friends and family. They will benefit from being a diversely trained performer with excellent classes such as Advanced Acting, Music Theory, or Advanced Dance Classes. Parents as well benefit immensely from college prep help including Parent Q&A Night to private audition coaching for our seniors! Members will also have the ability to step into leadership by applying for our Leadership Program. Our goal for Dream 6 is to have them be LIMITLESS in their opportunities and abilities once they graduate from Legacy Dream!
